

Melvin Jones Repo1

Software Engineer & Full Stack Web Developer

Caloocan City, Philippines / mrepol742.github.io / github.com/mrepol742 / mrepol742@gmail.com

I'm a talented Software Engineer from the Philippines. Am well-versed in various domains of field, including full stack web development, SEO, data analytics, embedded system design with arduino programming and PWA.

With a passion for programming.

I embarked a self-taught journey in 2018 and has since honed my skills in these areas. I dedicated to continuous learning and staying up-to-date with the latest trends in the tech world.
